## PROFILE

Results-driven and ambitious marketing graduate with a strong educational background in business English and a forthcoming Master's degree in Marketing. Fluent in Thai and a native English and Dutch speaker, I possess excellent communication skills that enable me to effectively engage with diverse audiences. I am a dedicated and hardworking individual, committed to delivering exceptional results and thriving in collaborative team environments. With a passion for learning and a creative mindset, I am eager to apply my skills and knowledge to drive innovative marketing strategies and contribute to the success of organizations.

## EDUCATION

### Bachelor Degree in Business English, Assumption Univesity, Bangkok

2017 — 2022

During my Bachelor's program at Assumption University, I gained a solid foundation in business principles and developed excellent English language skills. The program's focus on Business English allowed me to effectively communicate and engage with international clients and partners. Additionally, my minor in Hospitality provided me with a comprehensive understanding of the service industry and customer relationship management.

### Master Degree in Marketing, University of Kent, Canterbury

2022 — 2023

Currently pursuing my Master's degree in Marketing at the University of Kent, I am expanding my knowledge and skills in strategic marketing, consumer behavior analysis, and market research. Through coursework and research projects, I am gaining valuable insights into the latest marketing trends and best practices. This program has equipped me with a deeper understanding of marketing strategies, enabling me to apply innovative approaches to drive business growth.
