Chartree Chuenchomlada

Senior Data Analyst

Data analytics is all about Efficiency or Exploration.

With 13 years of diverse experience in data analytics, different businesses fundamentally share the same critical questions. This never changes.

Work Experience

May'23 - Jul'23

Data Science Project Lead

Ampos Group, Thailand

- Conduct in-depth research from data science perspective on feasible solutions, and required cloud infrastructures.
- Documentations of functional and technical requirements.
